SINTERKLAAS GIFTS

It is important that we receive the gifts in due time, we work hard to make the event a success and the logistics of having Sinterklaas provide a gift to each child is an important part of the celebration. If you have any problem getting the gifts sent in time for arrival on or before November 26. Please contact us before the due date so we can make arrangements for a solution.

Sinterklaas tries to make every child happy and that means that we encourage you to not exceed the mentioned price of the gift.

Your consideration in regard to these aspects is appreciated.
